

AESTHETIC MEDICINE (AAAM)

American Academy of Aesthetic Medicine (AAAM) is dedicated to the teaching of Aesthetic Medicine to medical physicians who have a scientific interest in expanding the Aesthetic Medicine facet of their clinical practice. AAAM membership and course participation are open to a wide variety of medical practitioners.

AAAM courses are the only ones recognized by the UIME in USA, Asia, Australia and Middle East.

AAAM worldwide faculties are experts in their respective fields; they equip physicians with the latest international techniques, technologies, and pharmaceuticals in Aesthetic Medicine. AAAM Board Certification is offered in three levels. All three levels must be completed in sequence and none may be skipped, regardless of physician's experience or knowledge level.
